**BINDING EFFECTS**

This document contains the terms and conditions on which Impatia srl (Busto Arsizio, 21052 Italy), ("Seller") will sell products to you ("Customer"). By submitting an order or a deposit payment for any of Seller's products, Customer agrees to be bound by these terms and conditions. Any modifications, amendments, exceptions and/or cancellations must be agreed upon exclusively in writing and must be expressly accepted by Seller. These terms and conditions constitute an integral and essential part of the sales transaction. The placing of an order by Customer, even in the event of not being signed, or the submission of a deposit payment, constitutes acknowledgement and acceptance of these general conditions. Furthermore, these terms and conditions will prevail over any other condition or agreement proposed by the Customer.

**PRICE AND PAYMENT TERMS**

The price for the products being sold hereunder is set forth on the order confirmation. Payment shall be made 50% (of the total purchase price plus shipping and taxes, if applicable) upon the placing of the order by Customer, and the remaining 50% shall be due and payable on or before the estimated shipment date of the products from the manufacturer's facility in Italy. All payments shall be via ACH, wire transfer, cashier's check, or other form of collected funds, and must be received by Seller prior to the estimated shipping date. In the event the Customer fails to timely make any payment due hereunder, the Seller may, at its option, delay shipment of the products until payment has been made. Upon default by Customer hereunder, Customer shall be responsible for any collection costs, attorney fees, or other costs and expenses incurred by Seller in enforcing its rights here under. In addition, interest shall accrue on any sums due hereunder at a rate equal to 1.5% per month from its due date until paid.

**SHIPPING**

All products sold hereunder are sold FOB shipping point (Italy) and the cost of transportation shall be borne by Customer. Seller cannot and does not guarantee a shipping date for the products. Any shipping date supplied by Seller to Customer is solely an "estimated" shipping date and Seller shall not be responsible for any delays in shipment, including but not limited to any delays caused by strikes, labor shortage, fires, floods, customs, import inspections.

**WARRANTY**

Seller warrants that the goods to be supplied hereunder will conform to the description on the face hereof; that it will convey good title there to; that such goods will be delivered free from any lawful security interest or other lien or encumbrance unknown to customer; and that such goods will be free from defects in material and workmanship for a period of one year from the date of delivery to the Customer. There is no warranty that the goods shall be fit for any particular purpose nor is there any other warranty, express or implied, except such as is expressly set forth herein. Seller shall not be liable for any incidental or consequential damages for any breach of warranty, seller's liability and customer's exclusive remedy being expressly limited, at seller's opinion, to the repair of defective goods, or replacement thereof with conforming goods at the FOB point shown on the face hereof, or the repayment of the purchase price. Replacement of defective goods or repayment of the purchase price therefor will be made only upon return of the defective goods which may be returned at the cost of seller only after inspection by seller and receipt by customer of definite shipping instructions from seller.

**ALL SALES FINAL**

All sales are final, and once shipped, products are not subject to return except in accordance with the terms of the limited warranty set forth in Section 4 above. This order may be cancelled by Customer within 7 days after confirmation of the order by Customer, and Seller agrees to refund to Customer any deposit or other sums paid prior to cancellation, less 10%. Any order cancelled more than 7 days after confirmation of the order shall result in a forfeiture of any deposits or other sums paid by Customer prior to cancellation.

**WAIVER**

No provision hereof and no breach of any provision shall be deemed waived by reason of any previous waiver of such provision or any breach thereof.

**LIMITATIONS ON LIABILITY**

In no event shall Seller be liable to Customer for special, incidental, or consequential damages (including, but not limited to, loss of profits, loss of data or loss of use damages) arising out of the manufacture, sale or supply of the products.
